

About Us

Welcome to the Bavarian Wagon and
“Our Mini ~ Germany”

It all started in March of 1983 when this Bavarian Girl came to Ohio from Bamberg Germany. This handsome soldier stole her heart.

Now 36 years later - we have 4 children and 10 grand children. Mel & Sylvia Burns are the previous owners of the Bierkeller Pub German Restaurant in Bellevue, Ohio.

After owning the Restaurant for 3 years we decided to move our business to downtown Sandusky so we started with a Food Truck in which we serve our Bavarian Cuisine which has brought us now to the Bait House Brewery where you will be able to enjoy our great food with their great beers.

Enjoy outdoor benches during the warmer weather and
their beer garden.

Sylvia was raised by a Mother who is a great cook and Grandmother who actually cooked for a Baron and her grandfather (who was the butler). She will certainly carry on the tradition of bringing you great Bavarian food in the same manner.

It is always our goal to provide you with good food and spirits, so that you have fond memories which bring you back over and over again.

Please enjoy your time here and provide us with any comments you may have.
